

#### **Fundraising Draws, 50/50 Procedure**

Any individual or group wishing to hold a 50/50 draw, meat draw, or similar activity to raise funds for charitable purposes must apply to Alberta Gaming for approval (application forms available in the office). A copy of the Alberta Gaming license needs to be filed with the office prior to the fundraiser. Failure to obtain a license could result in the Resort losing our license to operate Bingo.

Carefree Resort does not qualify as a charitable organization and therefore cannot legally accept proceeds from 50/50 draws, raffles, etc. However, you may donate proceeds from such events to a registered charity of your choice (i.e. Cancer Foundation, Heart & Stroke Foundation etc.).
